## LIFE SKILLS 'COMMUNITY ACCESS'

Dear Parent/Carer

During Term 4 last year we began using our brand-new 12 seat school bus for Community Access programs. This is wheelchair accessible through AMTEK ensuring that the vehicle can be used by all students. We received overwhelming positive feedback and will be looking to expand the program in 2024. In Term 2, students will be provided the opportunity to engage in the following activities.

**Making Waves Foundation** - Making Waves Foundation is an Australian registered not-for-profit charitable organisation who provide unique on-water experiences for young people with disabilities.  
SM – 9/5    SD – 23/5    SO – 30/5    SK – 20/6

**Museum of Fire Penrith** – Students will step inside the Museum of Fire and find themselves immersed in the intriguing world of fire and firefighting.  
SM – 29/5    SD – 15/5    SO – 16/5    SK – 22/5

**Nurragingy Reserve, Doonside** - This 63 hectare bushland park attracts more than 1 million visitors per year with the main attractions including the Chinese Gardens, the Aboriginal Heritage Garden and the Miniature Railway

The cost to attend all activities is **\$40.00**. Payment and permission must be made by **Wednesday 1 May 2024**.

All students should wear their sports uniform for all activities and must bring all food and drink for recess and lunch as well as any personal hygiene needs. Please ensure all items are clearly labelled with your child's name and class.
