

Jasper Road School Band

Dear Parents/ Carers,

We are really excited that your child will be joining band this year. Hopefully, you received a note at the end of last year indicating which instrument your child will play in the band. Allocation of instruments and bands is a complex process that considers the available instruments, each child's suitability/ preference and the balance within each band. A full list of the children in band, along with the instrument they will play and their rehearsal time has been posted on the noticeboard next to the school canteen. Please check the noticeboard and note your child's instrument, and band rehearsal time. It is important that your child attends the band rehearsal.

All school instruments will be handed out on **Monday 11 February at 6:00pm** in the school hall. During the hand-out night, you will receive information about the band program, how to care for your child's instrument, and the schedule for small-group tutorials and whole-band rehearsals. Small-group tutorials will start within a week of your child receiving their instrument. Whole-band rehearsal starts a few weeks later.

Please save the date for band camp, **1 – 2 June** - it is one of the highlights of the band program. Notes for camp will be arriving home in the near future.

If you have any questions about band, please email the band committee at bandatjasperroad@hotmail.com

We look forward to a great year of music!

The Jasper Road Band Committee
