

Jasper Road School Band

JRPS BAND 'COME AND TRY'

The Jasper Road Band is a highly valued program with over 150 students involved yearly. Through a difficult 2021, students were acknowledged for their dedication and at-home practice while the school received high praise for the continuity of learning we are able to provide students. During Term 4 each year, students in Year 2 are afforded the opportunity to enrol for the following year.

Every year the school holds a 'Come and Try' Band Night for interested students and families. Unfortunately, due to current COVID restrictions we are unable to have parents on site for this event. To provide as much information to parents as possible, the band committee have produced a video with general information and an introduction to each instrument that students are able to play.

Students and families are encouraged to watch the video found at the link below.

If you have any questions regarding the program, please do not hesitate to contact the office or email the band committee at bandatjasperroad@hotmail.com.

We look forward to your child's participation in the Beginner Band in 2022.

Regards

JRPS Band Committee
