## Principal's Address

We have only three weeks left of the school year and so many wonderful events coming up for our students, parents and staff, it's a very busy and exciting time.

## SCHOOLS SPECTACULAR

Last week I had the tremendous opportunity to attend the 2018 Schools Spectacular at Qudos Arena, Homebush. This year we had 24 amazing students participate in the combined choir which consisted of 2700 students from around the state. Our students displayed outstanding behaviour, continual commitment to rehearsals and amazing singing skills during all performances and must be congratulated. They were all tremendous representatives for the school. I would like to thank Mrs Keast and Mrs Stammers for attending rehearsals and performances and providing this amazing opportunity to our students.

## 2019 CLASSES

We are currently busy planning for 2019, which is just around the corner. We place a great deal of thought into the placement of students into classes. We very carefully consider the following for each and every student:

- Combinations of students – students who will work well together, and those who will not
- Friendship groups
- Student needs and the extent of these, be they extra support or extension
- Application and effort in class
- Learning styles
- Academic levels of operation across all curriculum areas
- Social, emotional, behavioural and academic needs

We will form classes of students that will work, learn, play and socialise together very well. We will also make sure that all staff are provided with information relevant and specific to each student in their new class. Relevant information is shared with the next teacher: this often includes medical information, academic information, supportive strategies and support programs.

With class changes, some children will begin to feel a bit worried about what will happen. Will they like the teacher? Will they be with friends? Together we can work to support your child, and help them become excited about the changes that will happen. Please be assured that we will do everything we can to support them. The Learning Support Team has already started to discuss how to best ease the transition for students (and parents and teachers) into the new school year. This is done through discussions between the School Principal, Deputy Principals, Learning Support Team and teachers.

## PARENT HELPER MORNING TEA

On Tuesday this week, we held our annual parent helper morning tea to **celebrate the partnership between the school, parents and wider community**. I would like to thank

the numerous parents, grandparents and carers who attended and throughout the year have freely given up their time to assist with the many programs and activities happening across the school. I know the staff enjoyed sharing a cuppa with all of our wonderful parent helpers and personally saying thank you for supporting the school in the provision of the quality education that our children receive.

## From the Deputy Principals

### School Development Days 2018 (SDD)

This year the last day of school for students will be Wednesday 19 December. There will be a staff development day for teachers at school on Thursday 20th. Teachers will not be on site on Friday December 21 as their commitment to professional development on this day was completed very early this year.

### Term 1 2019

The first day for Years One to Six students in 2019 will be Wednesday 30 January.

### End Of Year Activities

Each stage has planned end-of-year activity days which will be a wonderful conclusion to the year. Students and teachers are looking forward to celebrating together. Unfortunately, if families have not paid the party day/end-of year activity component of school invoices, students will not participate as these are above core curriculum, however there is still time to pay for your children to attend these activities. The final day for payment is Thursday December 6.

Thank you to parents/carers who have already made payments.

### Student Leadership

Visitors to our school would quickly observe that leadership at Jasper Road Public School is about 'service to others' – staff and parents supporting the needs of students and students supporting each other and the entire school community. On Friday November 16, staff and students were entertained and persuaded as Year 5 candidates for 2019 school leadership positions were given an opportunity to continue promoting their own skills and leadership qualities. School Leaders presented their arguments on why they should be elected as ambassadors for our school. The speeches were articulate, persuasive and reflected applicants' deep understandings of the concept of leading and supporting. This process is very fair, transparent and inclusive. The voting process was challenging for all staff and students because the reality is that while all candidates are already leaders, only eight students are elected

into the senior leadership team. There were also elections and speeches on Wednesday for our eight House Captains for 2019, which again reflected our students' preparedness to support each other.

For those students who are currently looking for leadership roles there will be opportunities for all students to demonstrate leadership in their final year of primary school, including mentoring students through the Peer Support program (2018), roles in library, band, sport, SRC and supporting peer students in the playground. Leadership is best demonstrated through your actions and this does not require a badge or title. We encourage all parents/carers to take the opportunity to discuss the notion of leadership with your children. Children learn the importance of leadership by reading newspapers and books, watching television and through teaching and learning programs taught at school. However, they also learn about the values of leadership through the home discussions each day. Let them know what you think leadership is and the desires you have of them in terms of how you would like them to lead (whether formally or informally) as they head into adulthood, making this a regular opportunity for positivity and growth.

**Positive Behaviour for Learning**

Continuing the discussion about developing resilience:

### Reduce Stress

As we move into one of the most stressful parts of the year (and for most families one of the happiest as well) we can experience excessive stress and tension in our homes (e.g. arguing, too many lessons/activities etc.) which can have a negative effect on your child. As part of our continuing look at the ways to reduce stress we have included the following supportive thoughts.

For instance, plan some fun each day (even if it's only 5 minutes) to read a story, go for a walk, watch a movie together, do a mindfulness activity or listen to music. Also try to deal with conflict between family members when it arises (family meetings to discuss problems). Parents/carers also need to be careful not to express frustration or anger by arguing or raising voices around their children and being mindful that children do not need to be a part of all adult conversations. Make a routine - Establish specific times for meals, homework, quiet time and bed time. Even 12 year olds need to be in bed by 9:00pm. Adults need time away from their children too! Establish a routine which includes showering, reading, chatting and sleep. Electronic devices should be discouraged as part of the bedtime ritual. Work together - It is important that you and your partner work together to help your child manage their anxiety. If parents/carers are not consistent, it can be very confusing for your child. Try to agree on ways of handling your child's anxiety ( e.g. both agreeing to limit giving excessive reassurance or both following through on setting limits, such as not having the child sleep in your room) and be consistent in terms of rewards.

## Mindfulness

Over the last decade, mindfulness has been slowly rising in popularity with many individuals practising it on a regular basis. Evidence based research has found that there are many benefits to mindfulness which has prompted schools across the nation to implement this practice into their daily routines. Mindfulness can be described as attention training for your brain, enabling you to focus on something without judgement and to stimulate curiosity. Mindfulness can be practised in a number of ways and is something that can be done by everyone - no matter what your age! It has been practised by many cultures around the world, but it is not exclusively affiliated to any particular philosophy or religion. Mindfulness helps improve memory, engagement and performance. Its positive effect on the brain can improve immunity, mental wellbeing, learning ability, emotional health and even, time management. It is especially important in this era of information overload as our attention is constantly being pulled in many directions making us more distracted.

### How do we begin to cultivate being mindful?

*It begins by:*

#### Being non-judging

- Becoming more aware of the habit of categorizing people and events as good, bad, or indifferent and avoiding these labels.

#### Developing patience

- Gaining the wisdom to know and accept the fact that some things must unfold in their own time.

#### Fostering a beginner's mind that is open to life's experiences

- Seeing things as if they were happening for the first time; allowing ourselves to be receptive to all possibilities.

#### Extending trust

- Trusting in ourselves and our own wisdom as well as enabling trust within others.

#### Becoming non-striving

- The ability to deeply experience the present without the tension or goal to achieve....to simply "be."

#### Demonstrating acceptance

- Receiving things as they actually are rather than how we wish them to be.

#### Letting go; allowing yourself to not become attached

- Allowing thoughts, feelings, and experiences to come and go without getting entangled within them.

As you go through your day, allow yourself time to reflect on these characteristics and the events of your day. Remember not to label your experiences as good or bad, but rather accept them just as they are. You'll begin to see new possibilities within each moment as well as grace for yourself and others.

As part of our Bounce Back program and moving forward into 2019 you may be interested to read how to "PROSPER" for

some holidays thoughts, as well as discussing "Mindfulness" (as above).

#### Term 4 Week 7

#### Term 4 Week 8

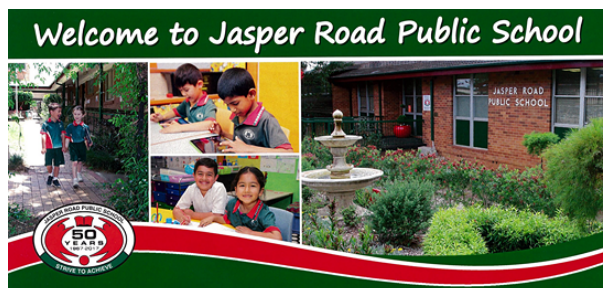

#### Did you know?

- Early experience with different flavours leads to later acceptance of new foods.
- Acceptance of new foods does not occur the first time round.
- Give children repeated opportunities to try new foods.
- It may take up to ten times before the new food is accepted.
- Children are more willing to try new vegetables if they see others choosing and eating them.

## 2019 Kindergarten Enrolments

We are taking enrolments for Kindergarten 2019, if you have a child or know of anyone living in the JRPS catchment area whose child turns 5 by July 31 2019 please come to the office to collect an Application to Enrol Form or download from our link below.

<https://jasperroad-p.schools.nsw.gov.au/about-our-school/enrolment.html>

The following documents will be required when submitting your application.

- your child's birth certificate or identity documents
- proof of student's address – originals of different documents such as your council rates notice or residential lease and electricity bill
- Immunisation history statement based on the Australian Childhood Immunisation Register (ACIR)

- family law or other relevant court orders (if applicable).

If your child is not a permanent resident you will also need to provide:

- passport or travel documents
- current visa and previous visas (if applicable).

We are happy to help with any questions you have about your enrolment, please call the school office between the hours of 9:30am – 2pm, Monday to Friday.

Enrolling your child in Term 3 assists the school to plan Kindergarten numbers for next year as well as informing you of our Orientation Program. If parents/carers believe their child will need additional support to successfully transition to Kindergarten please contact Mrs Vanessa Rogers, Deputy Principal, to organise an enrolment interview.

## Sports News

### Sporting Superstars

Congratulations to Mitchell W and his brother Beau W who both competed at the Macarthur Motocross Championship at Appin during the year. Motocross is one of the toughest sports there is. It's a form of off-road motorcycle racing held on enclosed dirt track circuits shaped from natural terrain and produces fast, close and exciting racing. It is a physically demanding form of motorcycle sport and tests both rider and their machines:

Both boys performed exceptionally well in this tough sport with Mitchell claiming 1st place in 9 yr 65cc class, 1st place in 9 yr 85cc and 1st place overall for 9 -12 yr 65cc class. Beau claimed 2nd place in 7 yr 65cc, managing 4th outright in 7 -9 yr 65cc.

At Oakdale Motocross Club Mitchell and Beau have achieved 2nd and 4th outright in their age groups and will be presented with more trophies on Saturday 1 December. The boys have also achieved top 10 placing's at the state Amcross event -an event which has them travelling to Bega, Wagga Wagga, Canberra, Cooma and Goulburn to compete against riders from around the state.

If slamming whoops, carving berms and flying high over jumps is your idea of fun, Motocross is the off-road sport for you and Mitchell and Beau would love to teach you how you can join in. Well done!

Over the last weekend Lucie F has been competing at the School Sports Australia National Athletics Championships in

Melbourne, representing NSW. She competed in 2 events, the 1500m and 800m races. Lucie's outstanding efforts led her to finish 6th in the country for the 1500m, running a Personal Best time.

Great work on a fantastic effort Lucie!

### PSSA Summer Draw

This week sees the start of PSSA Semi Finals. All teams not competing will still be attending as spectators to cheer on our teams. Good Luck to all teams playing in Semi Finals, we know you will play hard and fair and represent our school as you always do.

#### Week 7 – Semi Finals – Friday 30 November 2018

Sport	Opposition	Location
Senior Cricket	Oakhill Drive	Fred Caterson
Basketball	Friendly Games	Fred Caterson
Junior Boys Touch Football	Beaumont Hills	Kellyville Park
Senior Boys Softball	Samuel Gilbert	Bernie Mullane

## School Events / Updates

### SRC 'Ice cream and Crazy Hair Day'

Last week the SRC held 'Ice cream and Crazy Hair Day'. We loved seeing the students and teacher's crazy hair and enjoying an ice cream or ice block. The SRC are thrilled to have raised over \$1250, which will go towards buying new hand dryers for the bathrooms.

Thank you everyone for your support.

### Artwork - Mother Australia

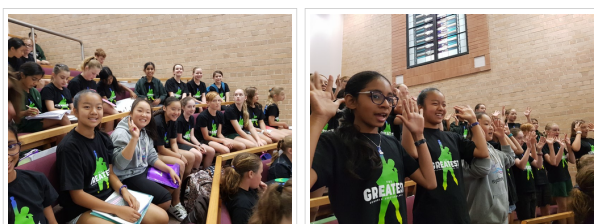

**Student name:** Janavika H, Yr 5

**Description:** Every child is unique and diverse in their own way with different languages, religion, tradition, ethnicity and

dressings. In my painting, which I have given the name mother Australia it depicts acceptance of people from around the globe and accepted with their diversities.

## Schools Spectacular Rehearsal

## From the Office

### Lost Property

As a school, we are accumulating a large amount of lost property. To assist, could you please make sure that all items of school clothing, hats, lunch boxes etc are **labelled with both your child's name and their class**. Your assistance with this is greatly appreciated, particularly when sorting through the clothes and returning them to their owners.

### Canteen and Uniform Shop Information

With the implementation of the new website this term, many people have been having issues finding the canteen and uniform shop information. They can be found under "About our school" then "What we offer".

<https://jasperoad-p.schools.nsw.gov.au/about-our-school/what-we-offer.html>

### School Payments

Our preferred method of payment is the parent online payment (POP) system, however if you need to pay by cash could you please put in the **exact amount** whenever possible. All change will be sent home with the student. Money is to be placed in an envelope clearly stating your child's name, class, amount and excursion attending and place in the letterbox slot at the front counter.

### Administering Medication at School

This is a reminder to parents: If your child needs the school to dispense medication, even for a short period of time, please pre-measure the dosage required in a PLASTIC SYRINGE or daily Webster pack. This must be labelled with the child's name, class, and time to be given. Please indicate if you have any special requirements, such as medication needing to be

refrigerated. Parents **MUST** also sign a medical form to allow staff to administer such medication. You can get the form from the front office.

## School Banking

Monday 3 December will be the last day for school banking for this year 2018, due to presentation day in week 9 and end of year activities in week 10.

All extra tokens students have from this year can still be used in Term 1 2019.

Starting date for School Banking 2019 will be advised in Term 1 2019, once classes are allocated.

Also please note that School Banking rewards are experiencing delivery delays of up to 10 days.

Thank you kindly

## All Things P&C

### 2019 Fundraising

#### Fundraising Roles for 2019

As mentioned we have restructured the committee roles and how events will be run for 2019.

**Do not forget that without the Fundraising Committee no money will be raised to make improvements to your child's schooling experience.**

*The P&C in previous years have contributed to the following items from the money raised by the Fund Committee:*

- tiger turf

- mini soccer field
- air conditioners in classrooms
- iPads
- interactive white boards
- school chaplains
- tech support
- PSSA Sports uniforms
- perpetual trophies
- teacher conferences
- band instruments

*These are just to name a few things that JRPS would not have if not for the fundraising done by the P&C and sub-Committee.*

## Fundraising Co-ordinator Role

We are seeking a Fundraising Co-ordinator to oversee the Event Organisers and liaise with the P&C/School Execs.

This position replaces the current Fundraising President role with a lot of the previous presidential duties now being shared amongst other committee members and event organisers to lessen and share the load. **This role has to be filled for the Fundraising sub-Committee to be able to run any event.** You do not need any experience nor to know how the committee or events run to take on this position, plus it's perfectly fine to have toddlers in tow- I am a testament to all that when I put my hand up at the end of 2015. I was the least experienced person with a crazy toddler but can say I have learnt on the job and enough so to be re-elected the following 2yrs. With a strong committee behind you and event organisers in place I can guarantee the position will be a fun and rewarding experience. I will also only be a phone call away if you have any questions. I'm currently organising the reshuffle of the committee and newly established roles, will be doing a call out for new committee members and event organisers....so all the hard work has been done for you.

If you are even slightly interested or would like more details please contact me on jaffatjasperroad@hotmail.com

### Other 2019 Committee Roles

**Media & Communications Officer** – filled – position holder TBA  
**Volunteer & Rostering** – (myself) Shontelle Prudames  
**Secretary (Emails)** – Brooke Kinney  
**Secretary (Minutes)** – filled – position holder TBA  
**Risk Assessment & notification Consult** – Wiebke Lackas

All roles have been filled but we are still seeking more general committee members so if you are able to attend meetings (currently Wednesday's 9:15am weeks 2, 5 & 8) then we would love you to come along. If you would love to join but Wednesday's are not suitable please let us know your availability as a change of day could be possible. If you have any questions please let me know via jaffatjasperroad@hotmail.com.

## Thank you to the outgoing Committee

As we seek and elect the new committee members for 2019 I would like to thank the 2018 position holders that have stepped down.

A massive thank you goes to Linda Kyprianou who has been our Secretary for the past 5yrs. We have tried to split up her secretarial job over the past 3yrs I've been President but the new minute taker seems to always get a job and she bounces right back in the role....one she doesn't really like, which makes my appreciation that much more. Over the past years as secretary Linda has taken the minutes, looked after emails, done volunteer call outs and rosters – as you can see from the 2019 roles we have split what 1 person has taken on for years into 3 positions which shows what an invaluable member Linda has been not only for the Fundraising Committee but also for the school and it's community. Again we are so appreciative of what she has done over the years. Your presence, guidance and help will be sorely missed as Miss T moves onto high school...do you think she can repeat year 6? Otherwise we will gladly take you on as a C...it does clearly state Parents & Citizens.

Another big thanks goes to Michelle Williamson who took on the media & communication role in October last year when our existing person moved to Queensland. She got thrown in at the hardest time as our 2017 Trivia Night approached. In the position she juggled work whilst helping with Facebook posts, Posters and Newsletters. Michelle continued the role until March this year which was extremely appreciated as it was way beyond the time she was wishing to assist. Later during the year when we were super busy she always put up her hand to help with doing Facebook posts.

Thanks also goes to Haili Sun (Paul) who helped me with the Media and Communications role by doing the fortnightly newsletters since the end of March and also any posters that I could not rehash so required one to be designed. Doing the newsletter & some of the posters was so much help to me as layout & design was something I struggled with on my phone. Thank you so much for all your help and apologies for all the Sunday morning emails.

Thank you also to Kylie MacLean who helped with Easter posters between the slight gap during the transition of the Media/Communication role.

Lastly, thanks to our loyal 2018 Committee members who tried to attend meetings around their busy schedules and a massive thanks to all the event co-ordinators in making this year a success. Without your assistance in running the events we could not raise the much needed funds required to improve our child's schooling experience. To the many volunteers over the year your help too was vital in this process. To you all THANK YOU FOR YOUR ASSISTANCE IN 2018 it has been extremely appreciated!!!

## Event Organisers for 2019

Below is a list of the currently approved 2019 events, however dates may be changed. **If we do not get an organiser for each event then it will not go ahead!!**

An event organiser will (as the name suggests) be the person who runs the event and guides any volunteers that are assisting. You will be given an event manual to use as a guide if one has been established or you will be given guidance by previous organisers or myself. You do not have to have experience or have volunteered previously at the event to be the organiser, nor do you have to attend meetings.

If you are remotely interested in being an organiser, you have a group of friends keen to join together to run any of the below events or would like further information then please contact us on jaffatjasperroad@hotmail.com. Some events require more than 1 organiser or could run better if have more so even if a name is against an event you are interested in we could possibly add you, that person may choose to swap to another event or their circumstances might change so please do not hesitate to put your hand up to ask. When you contact us, we can be more specific on dates and other details can be given for some events eg Easter Raffle specifics as although it runs over a few weeks it does not require work every day & Loose Change Challenge runs over 2wks we but do not count every day

**Kindy Orientation** x 4 dates – Oct/Nov – Shontelle P & Karol Castaneda

### Ongoing

**Entertainment Books** – Bec Godfrey

**Bright Stars** – Brooke Kinney

Again, **if we do not get event organisers then the event will not go ahead.** This would be a huge shame as it will take away funds that could go towards YOUR child's schooling & it is the students who will miss out.

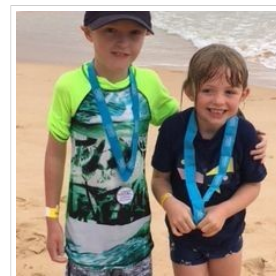

If you have any questions please don't hesitate to ask me.

**ATTENTION ALL SWIMMERS!!!**

Fancy a beautiful ocean swim while raising much needed funds for our school?

I am once again swimming in the Cole Classic 2019 ocean swim and have chosen Jasper Rd Public School as my charity. I am hoping to entice other swimmers to join me in Team Jasper, or alternatively kindly ask you to donate to our worthy cause!! The swim goes from Shelly Beach to Manly Beach and takes place on Sunday February 3, 2019. The options are a 1km, 2kms or 5kms (!!) swim, in age categories or a "back of the pack" option for the more leisurely swim! Plus this year they have options for our younger swimmers including a 100m, 200m and 300m swim. It is an extremely well organised and supported event and there are nearly as many life-savers in the water as there are swimmers! The atmosphere is fantastic and it is a very inclusive event, for both competitive and recreational swimmers. I am swimming in the 1km and 2km events.

If you or your child would like to join Team Jasper and take part in the swim, please email me at blackannie67@yahoo.com.au .

If you would like to donate, please cut and paste the link below, or contact me directly if you would prefer not to donate online. I am aiming for \$5000, but I think we can top this!

## Sandpit Photo Thank you

Thank you to all the families who attended their photo shoot on Sunday 18th November. Everyone seemed to be pleased with their shoot and Belinda the photographer.

Do not forget to attend your viewing at the school on Wednesday 5th December between 2:00 PM to 3:15 PM, unless an alternate arrangement was made. Belinda will also be in contact via SMS to remind you of your viewing.

You can purchase the entire set of prints for \$199 (includes 34 canvas sized images and a CD) or individual sheets as well as magnets and keyrings. There was a payment plan options available.

Thank you so much to Linda for coordinating the event, doing the bookings and opening up on the day. It was much appreciated.

## Join Us

Come join us at a meeting.

Meetings are held weeks 2, 5 and 8 each term.

P&C meetings are Monday at 7pm in the staff room.

Fundraising meetings are currently held on the Wednesday in the Cottage at 9:15am.

Children are welcome at both meetings with toys available on the Wednesday.

There are some exciting opportunities within the fundraising committee next year, with many of the members moving on as their children head to high school, return to work or families relocate..

## Entertainment Book Orders:

Every purchase contributes 20% back to the school for fundraising. Visit the link below to securely pay online and pick up your 'hard copy' at school or download to your smartphone.

<http://www.entbook.com.au/2151c99>

## Next P&C Meeting

There will be no Week 8 meeting on Monday 3 December at 7pm, however the P&C will be meeting for Xmas celebrations at Northmead Bowling Club at 7pm. If you wish to attend please email the P&C Committee (address below) so we can book sufficient tables. If you cannot make alternative arrangements for your kids, they are welcome.

## Next Fundraising Meeting

Our next Fundraising meeting on Wednesday 5 December has been cancelled.

Therefore the next meeting will be in week two next year on 6 February. We welcome all parents to attend and look forward to meet new members.
