## Principal's Address

It has certainly been a busy year at Jasper Road Public School and with this being my first it is one that I will never forget. During the year, our students accepted new challenges – academic, sporting and cultural. At Jasper Road PS, our vision is to instil values in our students so they become resilient, confident and future-focussed, equipped with the knowledge and skills to become empowered life-long learners. As we continue our educational journey built on high expectations; the future is certainly looking bright.

With a modern approach to learning, the changes made to the school, inside and outside over the last year have been significant. I am very proud of these changes, most of which have been focused on enhancing the learning environments for our students, to support their learning and engagement at school.

Ongoing lobbying of the department has led to an overhaul of the front office area to allow for wheelchair access. This has created an open welcoming space this fits aptly with our school culture. Construction on the Sensory Playground was completed in Term 3. This facility features a wheelchair accessible carousel, sand and water play areas, interactive sensory panels and a number of musical instruments. Through play, children develop independence, social skills and problem-solving processes and judging by the smiling faces everyday, it has certainly been a welcome addition to the school.

This term we have completed work on our artificial turf area turning a barren dirt patch into a welcoming, safe and engaging environment for students. This space is used daily by students and has already become a much loved area for small ball games or just sitting and talking.

Over the coming year we will continue to build upon our high expectations whilst creating engaging learning spaces. In 2019 we will be converting the old Heritage building into a space where students can undertake practical, hands on activities and

coding to solve real world problems. From the beginning of next year, students will have access to robotics, 3D Printing and other resources to utilise their creativity and problem solving skills, enriching their learning opportunities across all key learning areas.

Not only do our students have the chance to shine inside the classroom but they have been provided opportunities outside the walls. From our amazing award winning bands and our colourful Book Week to our artistic Education Week and energetic dance groups and choirs, students have had the chance to shine in their area of expertise. At Jasper Road, we run a wide range of programs for our students and it is only through the work of our wonderful staff that these opportunities can be offered.

I would like to thank our teaching and support staff for their professionalism and dedication to their roles in the school. It is this dedication that provides for the opportunities and successes of our students. Everyday our teachers bring enthusiasm and knowledge to the classroom, promoting excellence and supporting our students to improve results. They all share a combined passion for teaching and I thank them for an amazing 2018.

I'd also like to take this opportunity to thank all the parents and community members who have supported our school throughout the year, as volunteers, teacher's aides and of course those in the P and C who have worked tirelessly for our children and supported us in so many other ways. We are indeed fortunate to have such a dedicated bunch of parents working in the best interest of our school.

This year we have held and introduced numerous ways to engage our families from informal Coffee Mornings to our parent workshops. Thanks to all the parents and carers who have attended these events. Your presence is appreciated by both students and staff and makes a big difference in ensuring close ties between the school and our families. I believe that together we have a school community that caters to the needs and interests of our students. A school community that believes in itself and all of the wonderful things our students can achieve. A school community that does not put barriers or excuses in

the way, but that works hard and values our students and what they can achieve.

Unfortunately, a new year always brings changes to staffing and I would like to thank a number of teachers for their contributions at Jasper Rd. Mrs Duarte, Miss Dale, Miss Bartolo, Miss Galofaro and Mr Goodchild will be leaving us in 2019 having accepted positions at other schools. I thank them for their professionalism and dedication to our students over many years. They will be sorely missed by students, staff and the community. I would also like to thank Miss Jamaal, Ms Collins, Miss Kehagias and Mrs Meadows who will be departing us full time. We hope to see you back in some capacity next year.

Lastly, to our amazing students... I wish to congratulate all students for taking a strong hold of the opportunities available at Jasper Rd. I am proud of you! Regardless of your ability, you are given every possible opportunity to be challenged, achieve success and feel valued in our school. Our school motto states "Strive to Achieve" and through our quality teaching programs you complete this daily. Our core business is teaching, and what a fantastic group of students you are! You are why we all get out of bed and come to school each day. You make Jasper Road a fantastic school.

Good luck to those students that are leaving Jasper Road behind as you start your journey to high school. I know that you will always look back at your time at Jasper Road as the best years of your life.

I would like to wish students, staff and parents the compliments of the season and a relaxing and safe holiday. The teachers and staff look forward to working with you all again in 2019.

Thank you,

**Mr Craig Warner**  
**Principal**

### Student Reports

Reading and signing students' Semester 2 reports, we are heartened that our students, across the school, clearly identify and strive for their personal best and excellence.

Today you will receive your child's report. The report however only tells part of the story. It is the conversation you have with your child that will put it all into perspective.

Report time should not be an anxious time but a time for all involved in your child's education to recognise the effort that has been displayed towards learning, to reflect on his/her progress and to set new and achievable goals for the next year.

The grading scale lets teachers report student academic achievements at any point in time using clear standards. As teachers, we make a professional on-balance judgement to decide which grade best matches the standards each child has achieved, based on assessment information in relation to standards collected. This is a key professional skill. An on-balance judgement does not just focus on a single piece of work. This information will come from both formal assessment activities and informal observations and will be built up over time

and in different situations. Please show your appreciation if your child is doing their best. This will build their self-esteem and lead them to achieve even greater results next term.

## Recognising Excellence - Presentation Day 2018

This week we celebrated student achievement at Jasper Road Public School by holding our annual Presentation Day again at Model Farms High where we recognised students who have excelled in academics and citizenship. And at a second wonderful assembly to showcase a range of extra-curricular activities. Every year, it is not possible to recognise every student and for this reason teachers always find the task of allocating awards challenging. Please reinforce the importance of striving for personal bests and individual growth while also celebrating those students who have excelled and received their awards. Every student has something to be proud of this year. Teachers have been discussing with their students their proudest 2018 achievements. For some it is the way they have supported their friends, for others it is making the PSSA team or for becoming a better scientist, mathematician or creative writer. We would like to ask every student to reflect on their achievements for 2018 and to celebrate this over the last few days of term and over the holiday period.

## Thanks to our Outgoing Year 6 Students

Last week we celebrated the contributions that our senior students, Year 6, have made at our school through their farewell. Our 2018 Year 6 cohort is an especially amazing group - all staff commented on the outstanding calibre of the individuals and, just as significantly, individuals who work really cohesively as a group! As a cohort they have been respectful to staff and visitors and outstanding role models to younger students. They have also maintained high work standards, balanced nicely with a wonderful sense of fun and creativity. On behalf of the entire school community, well done to our Year 6 students - we are glad you enjoyed your farewell and the last few days of being 'the big fish in a small bowl'!

## The Importance of Sleep for Children

Sleep is a vital part of everyone's routine and an essential part of a healthy lifestyle. Studies show that children who regularly get adequate sleep have improved concentration, motivation, memory, behaviour and overall emotional, mental and physical health. Dependent upon age, school-age children need approximately 9 to 12 hours of sleep a night. There are a variety of reasons bedtime difficulties can start at this age too.

Homework, sports and after-school activities, computers, mobile devices, TVs and busy family schedules all can contribute to children not getting the sleep they need. Sleep deprived children can become over-excited or short-tempered and may have difficulties focusing in school. Sleep and a child's mental health and wellbeing go hand-in-hand.

To encourage healthy sleep habits, here are some ways to encourage your child to fall asleep faster and sleep well:

- Only use the bed for sleeping in.
- Go to bed at or near the same time every night.
- Avoid big meals right before bedtime.
- Keep technology and electronics (computers, mobile devices, TVs) out of the bedroom.
- To allow your child to unwind, turn technology and electronics off at least 30 minutes before bedtime.
- Create a healthy sleep environment such as soft lighting, a comfortable temperature, calming music. For more information on the importance of sleep for children, visit:

<https://www.kidsmatter.edu.au/search/node/sleep>

<https://raisingchildren.net.au/school-age/sleep>

**Eat fewer snacks and select healthier alternatives**

**Did you know?**

- ★ Around 1 in 5 young people in NSW report eating potato crisps or other salty snacks at least 4 times per week.
- ★ Over a quarter of young people in NSW eat confectionery at least 4 times per week.

**Healthy snacks help kids and teens refuel**

Healthy snacks in between main meals help kids and teens meet their daily nutritional needs.

Young children have smaller stomachs than adults, so they need to eat every few hours to keep up their energy levels and get the right amount of nutrients. Teens get particularly hungry during periods of fast development and snacks are important.

Snacks based on fruit and vegies, reduced fat dairy products and whole grains are the healthiest choices.

It is important to limit snacks that are high in sugar, salt or saturated fats – such as chips, cakes and chocolate – which can cause children to put on excess weight. These 'extra foods' should only be offered occasionally.

### Jasper Road as a thoroughfare

Almost daily we watch as some members of our community make U-turns over the unbroken lines on Jasper Road. Not only is this illegal and dangerous it is such a poor model for our students who will be drivers of the future. Our students come first and as such they deserve better.

Have a safe holiday break!

**Debby Bezzina and Vanessa Rogers**  
**Deputy Principals**

## Environmental Education

Last Thursday the 2019 Arbors had their training day. They learnt about the different initiatives at our school such as caring for the hydroponics, worm farming, vegetable gardening and recycling.

Our new 2019 Arbors from Year 4 are Oliver G, Alisha G, Senuk R, Liam E, Ronak M, Tana G, Luca N, Aisha K, Ayaka K, Edward H, Maz F, Manognya P, Alice B and Ella D. These students are joining our Year 5 Arbors Andrew A, Jordan D, Jay D, Nyssa D, William F, Amelia J, Inglis K, Lachlan L, Maxwell L,

Elise M, Avni R, Louis S, Jennifer W and Ryan M. I look forward to working with these students in 2019.

Thank you to these students and their families, in advance for your time and support in caring for our school projects during the holidays.

Remember to recycle, reduce waste and source gifts locally over the festive season. Arbors would like to wish you all a Merry Christmas and Happy New Year.

Think **GREEN** because together we **CAN** make a difference.

**Mrs Jennifer Franks**

## Sports News

### PSSA Grand-Final Results

Sport	Opposition	Result
Senior Cricket	Winston Hills	Lost by 3 runs
Senior Girls Softball	Oakhill Drive	Draw 3 – 3 joint premiers

**Can all PSSA players please return your shirts to coaches as soon as possible.**

Thanks to all players and coaches for yet another successful year of sport.

### Sporting Superstars

In November this year Isaac competed at the (ISKA) International Sports Karate Association, Australian Titles, picking up two silver and a bronze medal for Clash Sparring, Sword Combat and Sumo. The 2018 ISKA Australian Titles had over 480 competitors with teams from NSW, QLD, WA, ACT and VIC competing. Isaac also gained his Second Dan Black Belt in November this year for Taekwondo. Isaac has competed in the ISKA competitions for the last three years which sees him compete at Illawarra, Newcastle, Bathurst, Windsor and Liverpool. While on holidays last year in Hong Kong trained with Master Sam Lau in Wing Chun. Master Sam Lau was one of Ip Mans (Bruce Lees' Master) final students and was Assistant Instructor to Ip Man. Isaac has been doing martial arts for 6 years and has earnt a 2nd Dan Black Belt for Taekwondo, Purple belt for Invincible, Grey belt for Gracie Jujutsu (BJJ) and a Blue belt for Japanese style Jujutsu.

## Library News

Borrowing from the library has now ended. We ask that all overdue books still with students be returned before the end of the year. Unfortunately books not returned and not found on the shelves will incur a replacement charge.

Please visit your local library with your children in the holidays. It is a great free resource and often there are fabulous holiday activities to entertain your children too.

**Happy reading**  
**Mrs Tokatlian**

## School Events / Updates

### Arbors 2019 Training Day

Arbors had a great day filled with learning.

Students learnt about the hydroponics - the processes involved and the science behind it.

- the worm farms - the how's, whys, science behind it and the benefits plus how to use the worm castings and worm teas
- energy saving - why this is important and how electricity is made (science behind and effects on our environment)
- social sustainability - meaning
- caring for plants and planting seedlings
- infiltration and best watering practices and why
- natural pest control
- We also weeded along the pink driveway and the Dry River Bed.
- We planned events and programs for 2019 and sorted working groups and designated maintenance areas.

The students are eager to work and learn and seem very interested in the geographical and scientific side of caring for the environment.

It was such a productive day.

## 2019 Kindergarten Enrolments

We are taking enrolments for Kindergarten 2019, if you have a child or know of anyone living in the JRPS catchment area whose child turns 5 by July 31 2019 please come to the office to collect an Application to Enrol Form or download from our website.

<https://jasperroad-p.schools.nsw.gov.au/about-our-school/enrolment.html>

The following documents will be required when submitting your application.

- your child's birth certificate or identity documents
- proof of student's address – originals of different documents such as your council rates notice or residential lease and electricity bill
- Immunisation history statement based on the Australian Childhood Immunisation Register (ACIR)
- family law or other relevant court orders (if applicable).

If your child is not a permanent resident you will also need to provide:

- passport or travel documents
- current visa and previous visas (if applicable).

We are happy to help with any questions you have about your enrolment, please call the school office between the hours of 9:30am – 2pm, Monday to Friday.

Enrolling your child in Term 3 assists the school to plan Kindergarten numbers for next year as well as informing you of our Orientation Program. If parents/carers believe their child will need additional support to successfully transition to Kindergarten please contact Mrs Vanessa Rogers, Deputy Principal, to organise an enrolment interview.

## Road Safety

### IMPORTANT ROAD SAFETY REMINDER FOR PARENTS AND CARERS THESE HOLIDAYS

As the school holidays approach, it is important to remember when walking near roads, on footpaths, near driveways and in car parks always:

- **hold your child's hand.** Until they are at least 8 years old children need to hold an adult's hand. Until they are at least 10, children should be closely supervised by an adult and hold hands when crossing the road.
- **talk to your child about road safety.** Talk about how to be safe when near roads. Be a good role model.
- **point out road safety dangers and differences** in new environments. This is especially important when on holidays in different surroundings. Roads, footpaths and pedestrian facilities may look different in holiday areas.

**The best way to keep your child safe on or near the road is to hold their hand.**

**Talk with your child daily about road safety.**

**Remind other adults and carers about this too.**

You can find out more at Transport for NSW

<http://roadsafety.transport.nsw.gov.au/stayingsafe/children/pedestriansafety.html>

## School Banking

Monday 3 December was the last day for school banking for this year 2018, due to presentation day in week 9 and end of year activities in week 10.

All extra tokens students have from this year can still be used in Term 1 2019.

Starting date for School Banking 2019 will be advised in Term 1 2019, once classes are allocated.

**Thank you kindly**

## All Things P&C

### From the P&C President

As 2018 draws to a close, I'd like to reflect and thank all the many wonderful parents and volunteers that have helped during the school year. Whether it is helping in the classroom, volunteering at working bees, discos or carnivals, attending meetings or baking a cake for a morning tea. A MASSIVE THANK YOU.

To the outgoing committee members, thank you for your time and talents in making Jasper Road the place to be. I know that we will dearly miss some P&C members whose years at Jasper Road draw to an end with their children moving onto High School. We wish them well in the future and thank them for laying the footprints that we will follow.

To all the fabulous staff at Jasper Road, THANK YOU for dedicating so much of your time to our little people. Your dedication and care to our children is deeply appreciated. We encourage you to take a well-earned rest and not think about school for a few weeks at least.

To the incoming committees, thank you for volunteering your time and talents to continue the work of our predecessors. I look forward to working with you all in 2019.

I wish you all a very safe and happy holiday and from my family to yours Merry Christmas.

**Kind Regards**  
**Karen Titterton**  
**President – JRPS P&C**

### Goodbye 2018...Hello 2019

After 3 years as Fundraising President I am sad to be moving on but due to an enlightening incident earlier this year and study commitments I made the hard but logical decision that I needed to now focus on my family and future, therefore I need to step

back in 2019. It has been an extremely rewarding experience knowing that I've helped make a difference for both my kids, your kids and the schools general future by helping raise funds for improvements to their schooling experience. For the most I have had an extremely fun time in the process and I will always cherish the friendships I have made on the way. Thank you so much to the JRPS community for trusting me the past few years to help make your child's experience at school that little bit better xoxo

### 2019 Committee and Events

We have restructured the committee roles and also how events will be run for 2019. Please consider taking on a role or event...if not they will not happen and our kids and school will miss out on important funds

**Do not forget that without the Fundraising Committee no money will be raised to make improvements to your child's schooling experience.**

### Fundraising Co-ordinator Role

We are seeking a Fundraising Co-ordinator to oversee the Event Organisers and liaise with the P&C/School Executives.

This position replaces the current Fundraising President role with a lot of the previous presidential duties now being shared amongst other committee members and event organisers to lessen and share the load. **This role has to be filled for the Fundraising sub-Committee to be able to run any event.** You do not need any experience nor to know how the committee or events run to take on this position. With a strong committee behind you and event organisers in place I can guarantee the position will be a fun and rewarding experience. I will also only be a phone call away if you have any questions. I'm currently organising the reshuffle of the committee and newly established roles, will be doing a call out for new committee members and event organisers....so all the hard work has been done for you.

If you are even slightly interested or would like more details please contact me on [jaffatjasperroad@hotmail.com](mailto:jaffatjasperroad@hotmail.com).

### The importance of the P&C and fundraising

Without the P&C Fundraising Committee the school would not have the money to contribute to many positive enhancements to the school.

The P&C in previous years have contributed to the following items from the money raised by the Fund Committee:

- tiger turf
- mini soccer field
- air conditioners in classrooms
- iPads
- interactive white boards
- school chaplains
- tech support
- PSSA Sports uniforms
- perpetual trophies
- teacher conferences

- band instruments

These are just to name a few things that JRPS would not have if not for the fundraising done by the P&C and sub-Committee.

## General Committee Members

All official roles have been filled but we are still seeking more general committee members so if you are able to attend meetings (currently Wednesday's 9:15am weeks 2, 5 & 8) then we would love you to come along. If you would love to join but Wednesday's are not suitable please let us know your availability as a change of day could be possible. If you have any questions please let me know via jaffatjasperroad@hotmail.com.

## Event Organisers for 2019

Below is a list of the currently approved 2019 events, however dates may be changed. **If we do not get an organiser for each event then it will not go ahead!!**

An event organiser will (as the name suggests) be the person who runs the event and guides any volunteers that are assisting. You will be given an event manual to use as a guide if one has been established or you will be given guidance by previous organisers or myself. You do not have to have experience or have volunteered previously at the event to be the organiser, nor do you have to attend meetings.

If you are remotely interested in being an organiser, you have a group of friends are keen to join together to run any of the below events or would like further information then please contact us on jaffatjasperroad@hotmail.com. Some events require more than 1 organiser or could run better if have more so even if a name is against an event you are interested in we could possibly add you, that person may choose to swap to another event or their circumstances might change so please do not hesitate to put your hand up to ask. When you contact us, we can be more specific on dates and other details can be given for some events eg Easter Raffle specifics as although it runs over a few weeks it does not require work every day & Loose Change Challenge runs over 2wks we but do not count every day

### Term 1

**Kindy Tears & Cheers** – Feb 5 – Shontelle P & Karol Castaneda

**Easter Raffle & Mufti Day** – March/April – Sarah Crowe + 1 or 2 extra organisers

### State Election 23 March 2019

- Cake stall – Sarah Crowe
- BBQ – Karen Titterton / Dave Gilbert (need to confirm)
- Bric a Brac – position available if go ahead with this stall
- Jumping Castle – position available if do this

**Disco** –Shontelle/ Dave G/ Kat Lessells + possibly 1 extra organiser

### Term 1 or 2

**Federal Election**- date undecided (same positions as above)

- Cake stall – Sarah Crowe
- BBQ – Karen Titterton / Dave Gilbert (need to confirm)
- Bric a Brac – position available if go ahead with this stall
- Jumping Castle – position available if do this

### Term 2

**Mother's Day Stall** – May 7 & 8 – packing day to be confirmed - Wiebke Lackas +1 organiser

**Proposed Movie or Comedy Night** –1,2 or 3 organisers required depending

**Disco**- Shontelle/Dave G/ Kat L + possibly 1 extra organiser

**Athletics Carnival** – 1, 2 or 3 depending on if have BBQ & canteen

### Term 3

**Trivia Night** – 2, 3 or 4 depending if have silent auction

**Father's Day Stall** – Wiebke Lackas + 1 organiser

**Disco** – Shontelle/Dave G/ Kat L + possibly 1 extra organiser

### Term 4

**Loose Change Challenge** – Organiser or 2 required

**Teacher Morning Tea** – Teacher Appreciation Day end of October – Amelia McKee + friend/s

**Kindy Orientation x 4 dates** – Oct/Nov – Shontelle P & Karol Castaneda

### Ongoing

**Entertainment Books** – Bec Godfrey

**Bright Stars** – Brooke Kinney

Again, **if we do not get event organisers then the event will not go ahead.** This would be a huge shame as it will take away funds that could go towards YOUR child's schooling & it is the students who will miss out.

If you have any questions please don't hesitate to ask me.
