## Principal's Address

Jasper Road Public School is truly an exceptional learning environment and I am very proud to not only be the principal, but a member of the school community. Visitors to our school always comment on the special quality, wonderful tone and culture that exists. Student's behaviour, manners and caring nature is second to none and the way in which our children demonstrate the values of public education is a role model for all students around the state. We continue to hold high expectations for our students and will challenge them to achieve.

## Uniform

All students are now expected to be in full WINTER UNIFORM. This includes a tie for boys and a tab tie for girls. At Jasper Rd we hold high expectations with uniform standards and I thank the community in advance for their support.

## Band Camp

Last weekend I was lucky enough to attend my second Jasper Rd Band Camp. It was a fantastic weekend filled with fun, laughs, tutorials and rehearsals. The weekend was capped off with an incredible concert with all three bands performing new material that they had only learnt hours before. The behaviour, respect and dedication to learning from all the students was a highlight and I congratulate every student for their attendance.

Band Camp and other events don't proceed without teacher and parent support. As I did at the concert, I would like to thank every parent that helped over the course of the weekend whether it was transporting instruments, serving food or supervising, your support was greatly appreciated. I would also like to pay special thanks to the five teachers that attended for the whole weekend. Teachers don't receive overtime and there is no time in lieu. These staff members took time away from their own families to provide an opportunity for our students and the camp would not have proceeded without your commitment. I thank you for your dedication to Jasper Rd students.

In the coming weeks we will update the website with photos and videos of the camp so please keep an eye out. I know all the students are already looking forward to Band Camp 2020.

## Parking

Parking along Jasper Rd continues to be an issue, particularly in the afternoon. The congestion along Jasper Rd between 3.00pm and 3.30pm is a concern for our parents and residents. Infringing on residents driveways is one major concern along with illegal parking and incorrect use of the kiss and drop area. I would ask that our school community are mindful of the parking situation and understanding of the rights of our residents. Simple precautions such as parking in Balcombe Heights or walking a short distance to the school would go a long way to easing the congestion. Please be aware that we are in constant discussions with Hills Council and rangers regularly control the area.

## School Maintenance

Painting has now moved into classrooms with six Stage 1 rooms being refurbished. The current state of these rooms was

terrible with holes, fixings and screws scattering the walls. The new rooms include fresh paint, new fixtures, new blinds and updated notice boards creating vibrant learning spaces for our students.

Through the support of our P&C who have donated \$10,000, we will be continuing the refurbishment of a further five rooms bringing the total to 11 rooms completed. This will be occurring over the next fortnight. I thank the P&C for their donation and support of the school as without their financial assistance the project may not have proceeded.

## Coffee Morning

Each term we hold two coffee and conversation mornings to touch base with the community and talk about everything happening at school. Our next morning will be held on Wednesday 19 June from 9.00am. The Hills Community Learning Hub will also be in attendance on this occasion to discuss the different courses and programs that they offer. We look forward to your attendance. Come for a coffee and stay for chat.

**Jasper Rd Public School**  
**Coffee and Conversation**

All parents, carers and community members are invited to an informal Coffee Morning. This is a chance to meet other parents, talk with staff and discuss current programs and happenings around the school. Come for a coffee and stay for a chat!

**When: Wednesday 19 June**  
**Time: 9am – 10am**  
**Where: School Hall**

Coffee & Conversation

## Phonics Parent Workshop

Last term we held a Phonics Parent Workshop which was very well attended with over 90 families turning up. At the completion of this workshop I received numerous emails, phone calls and requests for a follow up session. We have been extremely fortunate in locking in Mr. Justin Caban a phonics and literacy consultant for a return visit. This session will be held on Monday 24 June from 4.00pm in the school hall. At this session, Justin will be revising the last session for those parents that were unable to attend before progressing into a phonics lesson. How can you help your child in phonics? What is schwa? Find out this and more at the workshop. All parents and community members are invited to attend.

## Jasper Rd Public School Parent Reading Workshop

Presented by literacy expert and consultant Justin Caban. Justin has worked extensively with schools throughout New South Wales improving teacher quality. His expertise is in the authentic assessment of teaching and learning in school structures, implementation and analysis of student data and the development of effective practices within teachers. He is also an expert in Synthetic Phonics after leading numerous schools in its implementation. He is currently working as an educational consultant in a range of schools throughout Sydney. His primary focus is on improving the literacy performance of all students, with Synthetic Phonics at the core.

**When: Monday 24th June**

**Time: 4.30pm—5.30pm**

**Where: Hall**

Join us as literacy expert Justin Caban presents the PART 2 look into Synthetic Phonics. **Attendance at the first session is not a prerequisite for the workshop.** At this workshop you will take place in a phonics lesson and learn about how we teach reading.

- What is a phoneme?
- How can you help your child?
- What will my child be learning at school?

## Biggest Morning Tea

Last fortnight I was privileged to be invited to attend the Castle Hills Home Hub Biggest Morning Tea. The Biggest Morning Tea is an event held annually to recognise and help raise funds to support those impacted by cancer. At the event this year our Concert and Performance Bands were asked to play. Every student displayed incredible musical talent and respectful behaviour and were shining examples of the students at Jasper Rd. The standing ovation at the completion highlighted how much the bands were enjoyed. I would like to thank the parent members of the band committee for your attendance and help with instruments and stands on the day along with Mr Griffiths and Miss Baker. Through your organisation we were able to offer this incredible opportunity to our students.

## From the Deputy Principals

### Assessment "for" and "of" Learning

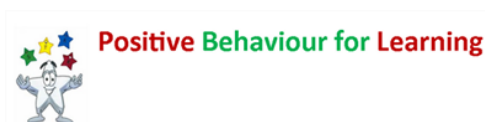

In most professions, employees and employers are assessed as part of validation to qualify and quantify the effectiveness of work undertaken. Often, the assessment process includes an appraisal of long term work-based achievements measured against key performance indicators. At times, performance appraisals in the workplace are used to measure what has been achieved (assessment "of" work) and at other times, appraisals

are used to inform future work streams (assessment "for" work). Schools also operate in a similar way. On a daily basis, teachers assess their students to determine where each individual needs to go to improve their skills. This type of assessment is generally informal and focuses on "where to next". In teaching, we call this type of formative evaluation "assessment for learning". Assessment for Learning – Feedback that Moves Learning Forward. Teachers at Jasper Road Public School are dedicated professionals who work hard both in the classroom and after hours to ensure student learning is maximised through high quality teaching. This year, our professional learning program at Jasper Road Public School is focusing on using assessment data to drive learning forward for each student. As a school we are focusing our collective energy on showing students 'what good looks' like in relation to the teaching of writing. We are also sharing and developing our strategies for giving feedback to students and for students giving feedback to each other. Feedback is given against shared criteria for success. Feedback is an important feature of 'assessment for learning' – assessment that moves learning forward.

## Assessment of Learning – Reporting to Parents

"Assessment of learning" is a summative style of evaluation where teachers collect data to appraise the level of understanding and achievement students have gained during a period of time or after the teaching of a specific concept. As professionals, teachers are highly skilled at using formative and summative assessment and we are impressed with the depth of understanding in "Assessment for and of" learning each teacher holds. This term, teachers will be using these highly advanced skills in assessment as they prepare Semester One student reports. We look forward to sharing your children's achievements and giving you feedback about your child's progress in reports and parent teacher interviews later this term. Please take the time to read the reports carefully noting effort, performance, work habits and social development.

The school's core values/expectations guide the learning experiences of all our students. Students in our SRC over the next few weeks will have the opportunity to be directly involved in the teaching of these expectations through creating, promoting and delivering social skills lessons to all students, via self-made posters. In doing so, they will participate directly in making the values explicit in a range of learning contexts. They are sharing and promoting a common experience, common language and common vision through their own experiences both in the classroom and the playground.

## Student Wellbeing

The hallmark of a safe school is whole-school wellbeing. This means that all members feel a sense of belonging, are valued, respected and free from discrimination and harassment. The active participation of parents and caregivers in their child's education is crucial for student wellbeing that leads to outcomes such as:-

- Better social skills.

- Improved behaviour.
- A greater engagement in school work.
- A greater sense of personal competence and learning ability.
- A stronger belief in the importance of education.

## Fundamental Movement Skills

As a topic for reporting teachers may make comments on the achievement of JRPS students who regularly engage in learning Fundamental Movement Skills. The Fundamental Movement Skills are the various gross motor skills such as running, balancing, kicking (as above) etc. These skills are the basis for all physical activity that we do in sports, dance, gymnastics and other physical recreational activities. In order for our children to develop these skills they are scheduled weekly (and sometimes more often) as students are more likely to continue to be involved in physical activity in later life once these skills are developed.

## National Physical Activity, Sedentary Behaviour, and Sleep Recommendations for Children and Young People (5-17 years)

Being physically active is good for children and adolescent health, and creates opportunities for making new friends and developing physical and social skills. Guidelines are available for parents/carers for all children and young people aged 5-17 years irrespective of cultural background, gender or ability.

## Persistence or Intelligence

Parenting expert Michael Grose has some thought provoking comments to make on intelligence versus persistence. Imagine at the birth of your child you were given a choice between bestowing great intelligence or great persistence on your baby, which would you choose? Take your time and think about it! Your choice will make a profound difference. It will impact heavily on your child's success at school, their future levels of achievement levels and eventually income levels as an adult. Smarts or persistence? What would you choose? If you chose persistence then you are on the money. You are giving your child a significant leg-up for future success. This is the finding of the ground-breaking research into factors determining children's achievement levels by Professor Charles Desforges from the University of Exeter in the UK. Desforges found that the greatest individual characteristic that determined children's success at school was persistence. It was number one by far. In

fact, persistence was a staggering seven times more significant than intelligence as a determinant of a child's achievement. Persistence is not merely an inborn trait. It is the one aspect of a child's temperament that can be impacted by people. Desforges found that parents, rather than teachers, are the people most likely to impact on a child's persistence. What does a persistent child do? Persistent kids do the some or all of the following:

- They stick at task until the end.
- They set goals and work toward them.
- They generally focus on tasks and are not easily distracted.
- They don't let failure stop them.
- They are more likely to take risks as learners.

### Sick Children

With the winter season upon us, a number of children present each day to the office with a range of complaints about being unwell. Often these children go home but are back at school again the next day and are clearly still unwell. Out of consideration for everyone, parents/carers please observe the exclusion period for conditions that are infectious. It is important that we know what illnesses are affecting our school community as we are then better able to keep everyone informed so we would appreciate being able to accurately record students illnesses. If you are unsure about this, please call the office or look at the Health Department's website below. It's in everyone's interest to observe good health practices.

### Castle Hill PSSA

Jasper Road Public School is a member of the Castle Hill Zone PSSA. The Zone has now created a Facebook Page where all updates and information is posted. This includes cancellation of PSSA on Fridays.

## Sport Representatives

Throughout the Term Jasper Road has had a number of students who have represented our Zone at Regional Carnivals.

Throughout week 6 Lucas F represented Sydney West at the State Hockey Championships. This team was also coached by Mr McKay. Congratulations to both Lucas and Mr McKay.

## Musical Evening for Stewart House

**The Inner Wheel Club of Baulkham Hills'**  
**Musical Evening for Stewart House**  
**Wednesday June 19th, 2019 at 7.00 pm**  
**in the Model Farms High School hall,**  
**Gooden Drive, Baulkham Hills**

Some of our school's students are performing at this Musical Evening, which aims to showcase the wonderful musical talents of some of the primary and high school students in The Hills area.

Please encourage our students in their community service, as they use their talents not only to entertain, but also to raise money for Stewart House to help children in need.

The Hills Community Concert Band will provide some pre-concert music from about 6.30 pm and the Musical Evening will begin at 7.00 pm. The programme will include choral, dance and instrumental items. As there will not be an interval, the aim is to finish by approximately 9.00pm.

The hall is heated, and there is limited parking on site at the school, or otherwise in the street.

The Hills-Kellyville Rotary Club will be holding a **Sausage Sizzle** from **6.00 pm** when sausage sandwiches, tea, coffee and cool drinks will be available at a reasonable cost.

**Tickets** for the Musical Evening may be purchased online via the link below from May 20, 2019

<https://www.trybooking.com/495622>

**Adult \$15.00, Child/Student (under 18) \$8.00, Family \$40.00.**

Performers do not need to purchase a ticket. When not on stage, performers will be safely supervised by their teachers either in the hall or in a "green room" close by the hall, until the end of the concert. After the concert, parents please collect your students at the place designated by the supervising teacher. Please let the teacher know you are taking your student.

***We are looking forward to the students' performances!***

## Library News

Library staff are currently in the throes of preparing for Book Week festivities in Week 5 of Term 3. The theme for Book Week this year is:

# READING IS MY SECRET POWER

CBCA BOOK WEEK  
17-23 AUGUST 2019

Start saving for our yearly Book Fair, a great opportunity to stock up on Christmas presents early.

This year we have two visiting authors / illustrators:

Steven Herrick for Stage 2 and 3 students:

<http://www.stevenherrick.com.au/>

Gabriel Evans for Early Stage 1 and Stage 1 students:

<https://gabrielevansartist.com/>

More information will be forthcoming as plans progress.

## Premiers Reading Challenge

We are roughly at the half way mark in the Premiers Reading Challenge. Please support your children in adding books read on the challenge website at:

<https://online.det.nsw.edu.au/prc/home.html>

They will need and should know their portal username and password to do so. If you require any assistance please don't hesitate to contact us on the school number.

## Library Borrowing

Students continue to revel in the books we have available for their reading pleasure in the library. A library bag is all that's needed for students to take home much loved reading and viewing material from our library. There is no other cost. Remember Kindy students borrow one book per week, Year 1 borrow 2 books per week and Year 2 to Year 6 students up to 4 books. Allow your children time each day to enjoy the books they bring home. Better still enjoy the books together!

### Happy reading

## Band News

Wow, what an incredible weekend we just had at Band Camp 2019. We hope all the children had an amazing time.

I would like to pass on an enormous thanks to everyone who contributed towards making Band Camp 2019 so successful.

THANK YOU to the following people:

Salema Barrett for helping with room allocation and timetable, Lauren Caruana for taking charge of the kitchen duties and special meal needs, Orson Baker and Greg Kerr for coordinating all the equipment being brought to camp, moved around at camp and returning to school.

Angela East who is 'instrumental' with making sure all the equipment is where and how it should be incl. spare equipment and for the fabulous BBQ on Sunday with her team of helpers

- Derek Salfus, Andrew and Jane Whitten, Rachel Golding and Liz Murray.

The disco on Saturday night was fabulous, thanks to Orson 'DJ Awesome' Baker and Blake Byrnes.

The amazing group of parents that make up our Band Committee and volunteer team who spent their weekend helping make beds, re-stuffing sleeping bags, assisting children, serving meals, supervising tutorials and rehearsals, moving equipment, sweeping floors and wiping tables, counting heads, and staying awake until all the kids slept and coordinating parking - Orson Baker, Angela East, Blake and Zoe Byrnes, Dave Gilbert, Lauren Caruana, Greg Kerr, Ben and Michelle Williamson, Salema, Justin and Harvey Barrett, Adam and Imogen Knight, Jane Whitten, Rachel Golding, Kate Fitzpatrick, Lauren Gulliford, Liz Murray, Nicole Nixon and Darija Egic.

Thanks to Tristan Baker for being our videographer at Sunday's concert.

The teachers - Mrs Rose, Miss Baker, Miss Graham, Mr Griffith (also stepping in as Trombone Tutor) and Mr Warner for supporting camp and being part of the weekend.

The amazing Mrs Franks who was across everything through the planning process to the last minute of camp, following up children, responding to camp queries, looking after medications, making the fabulous name tags, and was the last one to go to sleep and the first awake.

Our wonderful Tutors and Conductors, Steve Clark, Warwick Elvery, Felicity de Bruin, Jo Channell, Michelle Fishburne, Tamara Craig, Melissa Freebody, Jordan Tulinsky, Jessica Ling, Tristan Baker and Ericsson Chan for making themselves available and bringing out the best musicians the kids could be.

To band families, thank you for supporting and encouraging your children and making Band Camp a wonderful experience for all.

And remember, it's only 361 days until Band Camp 2020!

***Bronwyn Knight, Band Committee***

## From the Office

### Lost Property

As a school, we are accumulating a large amount of lost property. To assist, could you please make sure that all items of school clothing, hats, lunch boxes etc are labelled with both your child's name and their class on the inside. Your assistance with this is greatly appreciated, particularly when sorting through the clothes and returning them to their owners.

There was also a number of items collected at band camp, this have all been put in the lost property box near the library.

## Canteen News

The canteen is now trading Monday to Friday for the entirety of Term 2.

Flexischools is the fast and secure way to order and pay for canteen orders. Flexischools website can be found below

## School Events / Updates

### Reconciliation Week by Stage 3 students

Reconciliation Week to me means to join and come together, heal our past with the future and become united as one. As a country, we can do more than alone. We must face the truth and learn from it. Unite as one heart, one country, one Australia. There is a difference between equality and equity. We need both to survive. We may say sorry but you can't say sorry and just forget. We need to act together. Because we are grounded in truth and need to walk with courage. - **April J 6J**

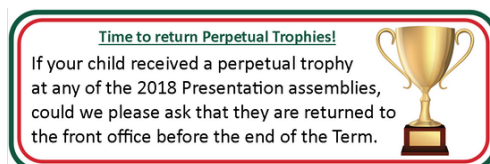

Reconciliation means when we accept all of our differences and come together. We are all different people and these differences should not divide us but neither should they be forgotten. In a rainbow, no colour is the same as another, but it is incomplete even if one colour is missing. The past was not accepting. In our history there has been a lot of racism and torture. A lot of pain, destruction and differentiating people. These things hurt to talk about and that is why we try to avoid it. But forgetting will not help. This year we will all come together and learn the truth, understand and accept, help and not repeat history. We won't make the same mistakes. We will celebrate the differences and live in an equitable environment for all of us.

- **Dhaani B 6J**

Reconciliation is when we all come together in peace. It does not matter what race and religion we come from, or what we look like. We must all have courage to come together and acknowledge the truth. To accept what has happened in the past and move on towards a better future. We all know the hardships the Aboriginal people have faced ever since the British settlers arrived and I am sorry. I am sorry not only for the Aboriginals, but for the people that treated them badly and were too foolish to know any better. Hopefully history will not repeat itself and we can be equitable for the Aboriginals and achieve equality. Then the country we know will continue to learn and grow and eventually the world will be a better place. - **Hannah R 6K**

Reconciliation Week includes Sorry Day, Mabo's Legacy and more. In 2019 the theme for Reconciliation Week is *Grounded In Truth Walk Together With Courage*. I think this means that we say sorry to Aboriginals for the Stolen Generation and for not treating everyone equally. We notice our past and have the courage to face and tell the truth. But also look forward and see what we can do to make everyone equal and feel like they have been treated equally.

Eddie Mabo went to court to fight for his island and have his people and island finally noticed. Sadly he passed away not able to see his victory. Not only Murr Island but other islands got noticed too. Even if we do solve our mistakes and everyone is treated equally, we should still have Reconciliation Week as it includes our past. - **Darby P 5G**
