Year 5 Placement in an Opportunity Class in 2025

Dear Parent/Carer

Opportunity classes are for primary school students who have high academic potential or who are intellectually gifted.

They provide an environment where students can learn and make friends with classmates of similar ability. This can benefit a student's academic progress and also their wellbeing.

Opportunity classes are offered in Years 5 and 6, with parents/carers applying in Year 4.

Students who are successfully placed will usually have to leave their current school to enrol in a school with an opportunity class for Years 5 and 6.

Opportunity classes are just one of the ways that we cater for our [high potential and gifted students](#).

Testing and assessment

Applications for opportunity class placement are considered on the results of the Opportunity Class Placement Test. Students who wish to be considered for placement are required to sit the Opportunity Class Placement Test on **Thursday 1 August 2024**.

How to apply

Parents/carers must apply online between **Thursday 4 April** and **Monday 20 May 2024** at:

<https://education.nsw.gov.au/oc>

You must use your own email address and not one belonging to your child. Late applications are not accepted.

If you do not have internet access, you can apply at a public library or at your child's school. If you have a disability that prevents you from using a computer, you should contact the High Potential Unit for assistance.

You must submit only ONE application for each student. The school **CANNOT** apply on your behalf.

Yours sincerely,

Mr Craig Warner
Principal
