## SRC Jeans for Genes Fundraiser

Dear Parents/ Carers,

Next week, the Student Representative Council (SRC) are hosting Jeans for Genes Day to raise money for genetic disease and other serious conditions affecting children. 1 in 20 kids face a birth defect or genetic disease, and 30% of children's hospital admissions are due to genetic disorders, so funding research is essential. As such, the SRC are asking students to wear jeans to school for the day.

**When:** Wednesday 25th September, 2019

**Theme:** Denim

**Cost:** Gold Coin Donation

Please note – This is not a mufti day. Jeans should have no holes and must be worn with school shirts and enclosed shoes.

We can't wait to see students in their denim jeans!

Regards,

Craig Warner  
Principal

Mrs Beedham and Mrs Isaac  
SRC Co-ordinators
