Stage 2 Big Fun Chemistry Show Science Incursion

Dear Parents/ Carers,

Next term, students in Stage 2 will be participating in the **Big Fun Chemistry Show** by **The Jollybops** on Wednesday 23 October 2019, to support our Science unit 'Material World'. This incursion is designed to give all students the opportunity to engage with a series of visually striking and well organised experiments where they are led to recognise the process of observing, investigating and predicting possible science outcomes. Concepts covered include chemical reactions, energy changes, physical vs chemical change, combustion principles, states of matter, hot and cold, science through human endeavour, material technology and properties of substances. The length of the show is 1 hour and will take place in the school hall.

The cost of the incursion is \$6 per student. Please return the permission note with payment to the office by **Friday 27 September 2019**.

Please note that whilst this incursion supports the curriculum-based learning in Stage 2, your child's attendance at this in-school experience is optional.

Kind regards

Mr Craig Warner
Principal
