28 March, 2019

Dear Parent/Carer

The National Assessment Program – Literacy and Numeracy (NAPLAN) 2019 for Years 3 and 5 students will be held on Tuesday 14 May, Wednesday 15 May and Thursday 16 May 2019. NAPLAN tests assess student knowledge and skills in Writing, Reading, Language Conventions (spelling, grammar and punctuation) and Numeracy.

The results of the tests provide information for students, parents, teachers and principals which can be used to improve student achievement.

All students are expected to participate in the NAPLAN tests. During test week, catch-up tests will be available for individual students who are absent on test days. These students may undertake catch-up tests on the days in the test week after the scheduled test, up to and including Friday 17 May 2019.

Support can be arranged for students with disabilities, if the student regularly uses similar support for classroom assessment tasks.

Exemptions may be granted to students with significant intellectual disabilities and to students who have been learning English for less than one year.

If your child is eligible for support due to disability or an exemption, you should discuss this with his/her teacher and assistant principal prior to the tests. Parental consent is required before any support due to disability or exemption is granted.

Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents and carers in consultation with the principal. If, after consultation, you decide to withdraw your child, you must sign a Student Withdrawal form. These forms are available at the school.

Later in the year you will receive your child's personal NAPLAN report. The report will describe your child's particular skills in Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy. The report will also show how your child performed in relation to national minimum standards. These describe the minimum acceptable standards for students across Australia.

I am confident that the information you receive as a result of your child's participation in the NAPLAN tests will be valuable in helping you to assess your child's progress in literacy and numeracy.

For more information about the tests, please visit the NAP website at [www.nap.edu.au/naplan](http://www.nap.edu.au/naplan)

Yours sincerely

Craig Warner

Principal
