## SCHOOL SUNGLASSES

Dear Parents/Carers,

Over the past 12 months, the school executive and P&C have been investigating the opportunity to add sunglasses to the uniform policy. A broad-brimmed hat is an integral part of the Jasper Rd uniform, but only offers half the protection from UV rays. Research now shows that sunglasses complete the final half of protection.

From Monday 4 March, the uniform policy will be adjusted allowing for the wearing of **SCHOOL SUNGLASSES** at recess and lunch. The company we have decided to purchase from are the leading supplier of quality UV protective sunglasses to primary school aged students. School Shades Australia are dedicated to ensuring that all Australian children have healthy eyes protected from harmful ultraviolet (UV) rays and already supply over 330 schools around the state.

Sunglasses will be on display in the front office and will be available for purchase for \$12.

- Wrap-around style to block maximum ultraviolet rays
- Lenses are constructed of the highest quality polycarbonate, ensuring that glasses are light and comfortable but are also shatterproof
- Polycarbonate lenses block 99% of ultraviolet rays.
- A name-place is available on the inside of each pair for student identification.
- Available in Small, Medium, Large and X-Large sizes, to ensure each child has well-fitted sunglasses.
- Each pair of sunglasses is customised with your school's name professionally printed in indelible ink- to ensure sunglasses integrate with your school uniform.

Kind regards

Craig Warner  
Principal
