

Jasper Road School Band

Beginner Band 2019

Year 2 students are invited to apply to join the school band in 2019.

Early next term, year 2 students will be treated to a concert by our Performing Band students. They'll hear how exciting concert band music is and see students they may know from school playing skilfully on their instruments. The conductor will introduce each section of the band so the children can see and hear the different instruments. Students will receive a note with information about two evening events where parents and carers can learn more about the band program. If your child is potentially interested in the band you should attend both events.

Monday October 22, 2018, Parent & Carer Information Session, 6-7pm, school library. On this night parents will meet our band director Dr Steve Clark, and receive information about the structure of the band program, the opportunities for children, as well as the time and financial commitment. This event is for parents and carers only.

Monday October 29, 2018, Come and Try Event, 6-7:30pm, in the school library. On this night the students will have the opportunity to try the instruments and receive advice from professional music tutors about their aptitude for the different instruments. This event is for students and their parents/carers.

There is no need to RSVP for either of these events. We look forward to meeting you at these events.

A handwritten signature in black ink, appearing to read 'Craig Warner'.

Mr Craig Warner
Principal

Mr Paul Marshall and Mrs Emma Rose
