HOUSEKEEPING

- Please note that all events are 'timed finals'
- Students must be prompt to the marshalling areas when called and must have their equipment with them e.g. goggles
- If students miss their race because they are not in the marshalling area, their race will NOT be re-run or delayed while waiting for students to turn up. If you decide not to race in an event, please inform the marshalling team as soon as the event is called.
- For safety reasons, only approved officials and students marshalling or swimming in an event are permitted poolside at all times
- If you wish to take your child home at the conclusion of the carnival, please see your child's class teacher to sign out
- Many of our students particularly enjoy when we are able to run the relay events, however in the past we have had students that have gone home early unaware that they are part of their relay team. If your child has participated in the 50m freestyle event, please be aware that they may be eligible for this event and these teams will be announced towards the end of the day.
