Stage 3 Child Protection Program

Dear Parent / Carer

Just a quick note to let you know that all students in Years 5 and 6 will be participating in Child Protection lessons over the next 5 weeks. These lessons will be taught by your child's teacher.

The Child Protection Program is mandatory for all students and forms a part of the NSW PDHPE Syllabus.

Topics which will be covered this term include:

- Acknowledging personal differences and promote respect for, and acceptance of, others
- Increasing awareness of personal safety and protective behaviours
- Developing students' understanding of physical development at puberty, and provide strategies for managing these changes
- Discussing different types of relationships and strategies for managing conflict

Yours sincerely

Miss Godfrey
Stage 3 Assistant Principal
