SB Term 4 Overview

Dear Parents/Carers,

Welcome back to full time face-to-face learning. As an overview of our school programs and activities for the term, I would like to outline the following:

Term 4 Overview:

English – Students engage in Phonological awareness, Phonics, Shared Reading, Speaking and Listening, Handwriting, Concepts of Print, Fiction and Fact – vocabulary focus and poetry.

Mathematics – Students engage in the revision of all number concepts and strands; whole number; addition and subtraction; multiplication and division; money; area and volume; time; 2D and 3D objects; position; data; mass; and patterns.

Science: Material World -students engage in identifying materials that can be changed or combined; describe how the properties of materials determine their use; observe and collect data to communicate and compare ideas; use materials, tools and equipment to develop solutions for a need or opportunity.

Physical Development and Health – Keeping Myself Healthy - Students engage in understanding the importance of keeping healthy and its relevance to their day to day lives.

Creative Arts – Students engage in Visual Arts using different mediums, Dance and Music.

Class Sports Program –Sports adapted games – Fundamental Movements skills

In Life Skills, students engage in social skills, transition to school routine and self-management skills.

Please continue to access the schoolzine for all other school calendar of events.

Some students' supplies are starting to run low. We would appreciate if you could top up your child's supplies to start the new term. Please refer to the school supply list attached to this letter.

Ellie Baker
Classroom Teacher, Support Unit
