SM Term 4 Overview

Dear Parents/Carers,

Welcome back to full time face-to-face learning! As an overview of our school programs and activities for the term, I would like to outline the following:

Term 4 Overview:

English – Students read and understand text focusing on *Fact and Opinion*; explore different types of text and identify each whether the text is a fact or opinion. In Writing, students engage with different purposes of the author – *Persuade, Inform and Entertain*. In phonics and spelling program, students engage with High Frequency Words, Grapheme Phoneme Correspondences, Vocabularies, Synonyms, Antonyms, Prefixes and Suffixes.

Mathematics – Students apply appropriate mental and written strategies and digital technologies to solve multiplication word problems; conduct chance experiments; use appropriate unit and device to measure; numbers with decimal points (tenths and hundredths); different types of angles; describe locations on grid-referenced maps; solve word problems that involve addition and subtraction of fractions with similar denominator.

Science – Material World – Students observe the effects of heat on the properties and behaviour of materials; observe properties of materials and determine their use for a range of purposes; feedback on investigations to answer questions and summarise data to communicate conclusions; use materials, tools and equipment to develop solutions for a need or opportunity.

Physical Development and Health– Making Healthy Choices - Students will gain a greater knowledge of how their personal choices in relation to health and active lifestyle influence their lives. **PE** - Students set themselves challenges and work to achieve personal movement goals through manipulation of sports and games within the class.

Creative Arts – Dance: Following sequences, steps and movements; Craft: Famous Art Works.

Class Sports Program –Sports adapted games – Fundamental Movements skills

The Life Skills Framework will continue this term focusing on Communication and Technology, Social Skills and Transition to High School.

Please continue to access the schoolzine for all other school calendar of events.

Some students' supplies are starting to run low. We would appreciate if you could top up your child's supplies to start the new term. Please refer to the school supply list attached to this letter.
