## BAND CAMP COVID GUIDELINES

Band Camp is only two weeks away and we are incredibly excited to announce that under the new NSW Government and Department of Education COVID guidelines that we are able to proceed. Band Camp will be held on 28 & 29 May at Crusaders, Galston. A map and directions was previously distributed along with a guide of what students need to bring. If you require another copy then please contact the school. Parents are asked to take note of important new COVID guidelines as below and acknowledge their implementation and understanding. This must be returned by Friday 20 May to the Band Box in the library to confirm your child's attendance.

- No student or staff member identified as a close contact will be permitted to participate in overnight activities including Band Camp.
- Prior to their arrival on Saturday morning, all students are asked to complete a rapid antigen test to reduce the likelihood of anyone testing positive at camp.
- Any child that is unwell (including with mild COVID-19 symptoms) cannot attend camp. In the event that your child becomes unwell, you will be immediately contacted and asked to pick up your child. Your child may be asked to wear a mask whilst awaiting your arrival. Your child's arrival and continued attendance is at the discretion of the teaching staff member acting as First Aid Officer.
- For NSW-based camps/excursions, anyone who shares accommodation with a positive case may be classed as a higher-risk contact, and will need to follow the NSW Health [Information for people exposed to COVID-19](#). In the event that the school is made aware of a positive case, parents will be contacted via Schoolzine (contact from camp) or telephone (accommodation contact).
