21 February 2022

Dear Parents / Caregivers,

I am writing to inform you that your child at Jasper Road Public School will shortly have the opportunity to access Canva for Education recently made available to all NSW Public School students.

This letter is seeking your consent to create your child's Canva for Education account using their school email address.

Canva for Education is a free design product that gives teachers and their students access to additional features in Canva that are normally restricted to professional users. It will allow teachers to build visual literacy in students by setting tasks to create presentations, posters, reports and more from their computer easily and simply using an industry standard tool.

Your child/ren cannot get access to this service unless invited by their teacher.

Canva for Education will not:

1. Track location data
2. Serve your child/ren any ads, or send them any marketing campaigns
3. Ask your child/ren to pay for anything or put in a credit card
4. Share information (limited to student's name, email and password) with anyone, except for essential services used to keep Canva running (outlined in their privacy policy see below)

However in order to facilitate the service:

1. Canva will ask for a name, (school) @education.nsw.gov.au email address and their password.
2. If your child/ren is not active on Canva for a year, Canva will email them to check if the account is still required, if no response is received the data and account will be deleted

You can access Canva's comprehensive Privacy Policy for further information using this short link - shorturl.at/dpKV0

We look forward to engaging your child/ren with this industry standard tool, if you have any questions or concerns about the use of this tool please don't hesitate to contact Mr Cairns at the school email address above.

Kind Regards,

Craig Warner
Principal

for Education

Parent/Guardian Consent Form

Dear Parent/Guardian

This year, students will get their own accounts on **Canva for Education**, an online design platform, to complete assignments from their teachers and work on their own creative projects. This work will only be seen by teachers, themselves, and other students.

Children under the age of 13 are protected by the **Children's Online Privacy Protection Act**, a federal law which ensures the privacy of their personal information online. As your child is under 13, we need your consent to create your child's Canva for Education account. Please sign where indicated below and return this form to the school as soon as possible.

Learn more about Canva for Education: <https://www.canva.com/education/> Canva's privacy policy: <https://about.canva.com/privacy-policy/>

✂

CANVA CONSENT FORM

Please return to Class Teacher by **Friday, 4 March 2022**

Yes, I give permission for you to create a student account for my child and allow my child to use Canva for Education. I consent to the collection, use and disclosure of information about my child as set forth in Canva's privacy policy.

Student name: _____ Class: _____

Parent/guardian name: _____

Parent/guardian signature: _____ Date: _____
