SU Term 2 Overview – SB

Dear Parent/Carer,

We welcome back our students at the Support Unit in Term 2 2022! As an overview of our school programs and activities for the Term, I would like to outline the following:

Term 2 Overview:

English – Speaking and Listening: Students will be involved in a range of activities enabling them to share ideas and engage effectively in group and class discussions throughout all learning areas. This is a focus area for our class.

Phonics: Explicit, systematic teaching of phonics will occur daily to support students in developing their decodable reading skills, knowledge of letter–sound correspondence, sight words and focussing on these skills being transferable.

Reading and Viewing: Students will be developing reading, viewing and comprehension skills and strategies to make meaning from short texts with some unfamiliar vocabulary, simple sentences and images. Vocabulary will be a focus this term.

Writing: We will be focussing on letter formation, the mechanics of writing and learning to form cohesive ideas to write on familiar topics using a range of scaffolds. We will look at narrative and informative texts.

Library: Will continue to be on a Tuesday – please send in green library bags and books each week.

Mathematics – Number: Whole Number, Addition and Subtraction, Patterns and Algebra, Multiplication and Division, Fractions and Decimals

Measurement & Geometry: Time, Volume and Capacity, Three-Dimensional Space, Mass, Position

Statistics & Probability: Chance and Data

Science – Earth & Space – This includes an excursion on the 23rd May for Stage 1 students.

Physical Development and Health – How to be both inclusive and respectful in relationships.

Physical Education – Being successful team players. Students further develop their fundamental movement skills while exploring a variety of concepts through differing activities.

Sport: Students will participate in both Stage Sport and Support Unit Sport on Thursday and Friday.

Creative Arts – Band, Dance, Drama and Visual Arts will be explored this term.

Miss Ellie Baker
Classroom Teacher, Support Unit
